

ForElle

PRIVACY POLICY

We do not collect personally identifiable information about you.

We don't share your personal information with marketers and personally identifiable information (such as name, address, email or phone) with other companies for marketing purposes.

No ad companies collect data through our application.

No in-app purchases.

Push notifications are implemented.

Internet connection

ForElle will require an internet connection to work.

When users use our mobile application, we automatically collect the Internet Protocol (IP) address, device ID, device type, and what operating system (OS) the user is running.

We will not track your device location.

We will send push notifications to you when there is a request or when ForElle needs to inform you of something.

Authentication and security

- To log you into ForElle by signing in with Apple.
- To protect your security.

For example, these technologies help authenticate your access to ForElle and prevent unauthorized parties from accessing your account.

Audio recordings

By sending a request, the user will send every 30 secs an audio recording to some favorite ForEellers. The request (which includes all the audio recordings) can be deleted any time by the user. The contacts selected by the user in order to send the request, is a personal choice. The audio recorded won't be shared with other companies for marketing purposes.

The user is responsible for the deletion of data / requests and audio recordings.

Gps Localization

By sending a request, the user will send every 10 secs the location to some favorite ForEellers.

The request (which includes all the location trackings) can be deleted any time by the user.

The contacts selected by the user in order to send the location, is a personal choice. The location tracking won't be shared with other companies for marketing purposes.

The user is responsible for the deletion of data / requests and location trackings.

ForElle relies on its users to provide accurate Personal Information in order to provide our Services. We try our best to protect that information and make sure that we are responsible in handling, disclosing, and retaining your data.

We neither rent nor sell your Personal Information to anyone.

You can ask for privacy questions.

If you have any questions or concerns about our privacy policies, please contact us:
